Mumbai, Maharashtra • +91 7710020979 • darshankholakiya12@gmail.com • <https://www.linkedin.com/in/darshankholakiya/> • <https://github.com/Darshan660>

A highly motivated and detail-oriented individual with a strong passion for Data Science. Graduated in BSc Data Science, seeking a challenging opportunity to apply my knowledge and skills in a practical setting. Equipped with a strong foundation in Data Analysis, Statistical Modeling, NLP, Generative AI, and Machine Learning techniques, I am eager to contribute to a dynamic organization where I can utilize my expertise to its maximum level and contribute towards organization success.

PROFESSIONAL EXPERIENCE

BugendaiTech

Jun 2023 – Present

Data Science Intern

- Developed a **Generative AI** Project called Automated Project Documentation Generator using **LLM's**.
- Designed the system to create project documentation in a personalized format.
- Implemented meeting notes summarization for efficient extraction of key insights.
- Selected and **fine-tuned** a pre-trained model with ensuring data quality and model accuracy.
- Prioritized **data privacy** as a core objective of the project and significantly increased productivity and saved time for the team.
- Deployed the system on Gradio and enabled **real-time** output streaming.

DoWell Research India

Aug 2022 – Feb 2023

Data Analyst Intern

- Utilized Google Spreadsheet to **collect, clean, and standardize** global indicators data for 49 countries.
- Orchestrated the generation of various visualizations, including filled maps, pie charts, funnel and many more charts using **Looker Studio**; created 20+ reports for stakeholders across departments.
- Collaborated with a team of data analysts to conduct in-depth data analysis and provide valuable insights to support strategic **business decisions**.
- Actively participated in cross-functional collaboration, fostering **effective communication** and information exchange to identify data trends, patterns, and meet project requirements.
- Played a key role in developing and implementing **data quality control** measures to ensure the accuracy and integrity of data, facilitating reliable data analysis.
- Conducted statistical analysis and transformed findings into visually appealing representations, offering **meaningful insights** to stakeholders.
- Maintained comprehensive data records for multiple teams, ensuring accuracy and consistency in report generation for all 49 countries.

VIRTUAL INTERNSHIPS

Tata

Jun 2023

Data Visualization: Empowering Business with Effective Insights

Skills: Business Understanding, Tableau, Data Visualization, Presentation, Exploratory Data Analysis (EDA).

Accenture

May 2023

Data Analytics and Visualization Virtual Experience

Skills: Gain Project Understanding, Data Preprocessing, Data Modeling, Presentation, Python, Story Telling, Presentation.

Bharat Intern

May 2023 – Jun 2023

Machine Learning Intern

Skills: Python, Machine Learning, Exploratory Data Analysis, Data Understanding.

KPMG

Jul 2022

Data Analytics Consulting Virtual Internship

Skills: Data Quality Assessment, Data Insights, Presentation, Python

LetsGrowMore

Jun 2022 – Jul 2022

Data Science Intern

Skills: Python, Machine Learning, Multiclass Classification Problem.

The Sparks Foundation

Apr 2022 – May 2022

Data Science & Business Analytics Intern

Skills: Python, Tableau, Supervised Machine Learning, Data Analysis.

EDUCATION

KES Shroff College

Jun 2020 – Apr 2023

BSc Data Science

Shri T.P. Bhatia College of Science

Jun 2018 – Mar 2020

HSC (12th)

Rustomjee International School

Jun 2007 – Mar 2018

SSC (10th)

SKILLS & OTHER

Skills: Python, Machine Learning, Tableau, SQL, LLM, Generative AI, Google Sheets, Data Analysis, Data Cleaning, Data Visualization, Teamwork, Critical Thinking, Leadership, Presentation

Personal Projects: WhatsApp Chat Analyzer, Laptop Price Predictor, Asian Landmark Detection, Auto Tech News, Sales Performance Dashboard, Digital Resume

Certifications: Data Scientist by Try Catch Classes, SQL Basics by Hacker Rank, Python Basics by Hacker Rank, Data Analysis with Python by IBM, Data Science 101 by IBM
